Through the hard work and effort of a number of local residents who are volunteering their time, we are pleased to advise, the Enderby Minor Fastball Association (EMFA) has been revitalized with a new elected board. The Association now needs the support of local businesses and individuals to help our kids get back to playing ball in Enderby.

We are seeking Corporate Sponsors, Companies and/or individuals who will provide financial support to our youth in the community. We have some old equipment and uniforms from past years that really need to be updated. The Association also has other expenses of training and paying umpires, coaches' certification, paying league and tournament fees and ball field fee's, etc.

Once the registrations are finalized on or about April 6th we'll need coaches and umpires too. Are you motivated to get your coaching certification? Or become a certified umpire for our home games in Enderby? If so, please send an e-mail to info@enderbyfastball.ca and we'll give you all the details on how to sign up!

The Association has a long wish list for new uniforms and equipment; we know it will take time to get the teams fully sponsored however we also anticipate that fastball in Enderby will be back in a BIG way for many seasons to come. Our teams practice and play their home games starting April 15th at Riverside Park, Monday thru Thursdays. Some teams will participate in various tournaments throughout the Okanagan; updates will be posted on the website after the schedules have been set.

In order to make this rewarding experience a reality for our youth, we are reaching out directly to area businesses and friends by offering you the opportunity to become a team sponsor! Any sponsorship level you select will be greatly appreciated with all monies being used to support our teams. Please review and select the sponsorship package that best fits your business and your budget. If you prefer to make a donation to the Association, please contact the EMFA President, Tracey Castle, tracey@enderbyfastball.ca

Feel free to visit our new website and be sure to check back often as it is currently being updated www.enderbyfastball.ca

The EMFA would like to thank you in advance for your support and commitment to our youth in the community.

Sincerely,

The Executive Board of the EMFA
